

THE RETAIL OWNERS INSTITUTE

Purchase Order

Retail Strata:G® Financial TRAINER™ and MERCHANDISER™ Bundle

Features

- The Retail Strata:G® MERCHANDISER™ is a self-contained Open-to-Buy software program for planning inventory purchases based on targeted inventory turnover rates
- The MERCHANDISER™ computes Open-to-Buy at COST or at RETAIL
- The MERCHANDISER calculates planned purchases and GMROI for up to 50 separate departments, each with its own planned sales, margins, turns
- Can be used for any 12-month planning period
- Tutorial "movie" within The MERCHANDISER
- Self-contained program that runs on Windows® 98SE or better
- The Retail Strata:G® TRAINER™ is a self-paced, interactive course that teaches the basics of retail finance in three major sections: Profits and Debt Management; Inventory Planning; Cash Flow Plans.
- Complete, free user support from The Retail Owners Institute™ (www.RetailOwner.com)

Co-Branding and Quantity Prices for CD-ROMs (all U.S.\$)

Co-branding includes:

- Your logo/identity on packaging and CD-ROM labels
- Identification as "The [Your Company] Version" on splash screens

Purchaser agrees to provide artwork for logos/other graphics for co-branding. Purchaser is responsible for final approval of camera-ready art proofs for packaging and disc labels.

Purchaser pays for and chooses freight method.

Quantity Prices:

- 2,500+ sets: \$30/set
- 1,500 sets: \$37/set
- 1,000 sets: \$45/set
- 500 sets: \$52/set
- 250 sets: \$60/set
- 100 sets: \$70/set

Payment terms:

50% due upon execution of Purchase Order, payable to The Retail Owners Institute. Balance due immediately upon shipment of order.
